### From the M40

- From the M40 J1, take the A4020 toward Uxbridge.
- After 1 mile you will cross a canal bridge. On your immediate left is a large white building "Parexel". Highbridge House is directly opposite in a cream building with green window frames.
- At the traffic lights immediately beyond the white building, turn right into the industrial estate, then immediately right again into the car park for the Crown & Treaty Public house. We have allocated spaces in the rear R/H corner.
- Walk back around the pub to the front of the building. Grid Defence Systems are on the second floor.
